Out of this sum of Rs 2000, a sum of Rs. 900 has to go to Genl Administration as that was what Dr. Arunyan was getting as Dental Surgeon. The balance of Rs. 1100 has to be borne from the Medl budget. Against this add[l] increase in the Medl budget we will have a saving of about 775 rupees which is the present pay of the ~~Secretary~~ Medl officer, K.R. Sagar Hospital. My dear Dr. Seal,

You will probably remember Dr. J.F. Robinson of Delhi about whom I spoke to you some days ago. I have just heard from him that he is willing to accept our offer. I expect him here in about two months. As you know it is proposed to appoint him Darbar Surgeon, Supdt of the K.R. and the V.V. Hospitals at Mysore, and Principal, Med. College.

I believe that you have already announced to the Senate & the Council the intention of Govt to shift the Med. College from Bangalore to Mysore.

Dr. J. Robinson expects to get here in about two months and I should like

to have all the details regarding the shifting of the College settled by that time. As far as I can see the shifting will have to be effected gradually and completed in three or four years. I understand that full facilities are not likely to be available at Mysore for the first and the second year students. It may therefore be desirable to leave them at Bangalore for the present. But I gather there is no such inconvenience as regards the third and the fourth Year Candidates. It may possibly be necessary to transfer certain officers who are now in Bangalore to Mysore E.g. Dr. Krishna Sastri Rao & Dr Sambasivan. These however, are matters

on which you would like to have your valuable opinion before they take further action. I am writing this to request you to consult the University Council ~~about the~~ about the shifting of the College ~~to Mysore~~ to Mysore and to favour us with ~~your opinion~~ opinion for our purposes. If necessary we may like to appoint a small Committee consisting of yourself Mr C.S. Balasundaram and one other to settle all details.
